## Water Bottle Refilling Station Locations

Refilling your own reusable water bottle reduces the number of plastic bottles that end up polluting the environment for centuries, conserves important natural resources such as petroleum, water and energy, and prevents the production of greenhouse gases and other pollutants.

We have 30 water bottle refilling stations installed across the campus, providing safe, high quality drinking water. The station filters are certified to NSF 42 and 53 ANSI standards for lead, cyst, particulates, chlorine, taste and odor reduction — and have the added benefit of making the water taste better!

### KCC Filling Station Locations

#### ARTS & SCIENCES – S Building

- 1st Floor: Outside room S-130
- 2nd Floor: Outside room S-246
- 3rd Floor: Outside room S-347

#### WEST ACADEMIC CENTER

##### C Building

- 1st Floor: Outside room C-102
- 2nd Floor: Outside room C-206
- 3rd Floor: Outside room C-309

##### D Building

- 1st Floor: Outside room D-102
- 2nd Floor: Outside room D-205
- 3rd Floor: Outside room D-309

##### E Building

- 1st Floor: Outside room E-102
- 2nd Floor: Outside room E-205
- 3rd Floor: Outside room E-309

##### F Building

- 1st Floor: Outside room F-102
- 2nd Floor: Outside room F-206
- 3rd Floor: Outside room F-309

##### KIBBEE LIBRARY – L Building

- 7th Floor: Outside room L-704

##### MARINE ACADEMIC CENTER (MAC)

##### M Building

- 1st Floor: Outside room M-104
- 2nd Floor: Outside room M-202
- 4th Floor: Outside room M-436

##### T2

- 1st Floor: Outside room T2-72

##### T4

- 2nd Floor: Outside room T4-267

##### T5

- 1st Floor: Outside room T5-149

##### T7

- 1st Floor: Outside room T7-111
- 2nd Floor: Outside room T7-208

##### T8

- 2nd Floor: Outside room T8-203

##### COLLEGE CENTER – U Building

- 1st Floor: In the Vending Machine Room U-124
- 1st Floor: Outside room U-207

##### HEALTH, PHYSICAL EDUCATION & RECREATION (GYM) – G Building

- 1st Floor: Outside room G-100B
- 1st Floor: Outside room G-108
- 1st Floor: Outside room G-119

Help KCC turn the tide of plastic pollution by putting an end to single-use plastic water bottles.
