

How to submit your assignment to Blackboard for the instructor to grade.

Assignment Submissions How to submit your assignment to Blackboard

How to submit your assignments
Attached Files: [How to submit your programs.pdf \(125.212 KB\)](#)

Each assignment will be given a maximum of 10 points if done correctly, partial credits will be assigned and zero credit if incomplete or incorrectly done. To submit an assignment click on the assignment number below. Click on the attached file for important submission instructions:

All programs are to be submitted in the following format:
Source program followed by the output.

The first line of the source program should be:
The second line of the source program should be:

Notes:

- Each assignment has a due date. If you submit the assignment after the due date, 3 points will be deducted.
- You can submit an assignment a total of two times. Only the last submission will be graded.
- Zero credit will be given for assignments that are submitted incorrectly or partially or no submission.
