The Myself Third: Spirit of New York Scholarship was established in 2002 as a tribute to the idealism and spirit of those who participated in the rescue effort following the World Trade Center tragedy. The scholarship's mission is to reward high school seniors who exhibit exemplary leadership and service in their schools and communities. The student applying has identified you as a person who can write about their community service experiences and leadership potential, so you play an important role in this process. In the event that your applicant is selected, excerpts from your recommendation may be included in our program materials.
