

CRSP COVID-19 Virtual Town Hall

Special Focus: Vaccines

Friday, October 16, 2020
12:00 pm to 2:00 pm

Please join us to hear expert CUNY faculty discuss the current state of scientific knowledge:
How do vaccines work? How are they produced?
What are the ethics surrounding vaccine trials?

Dr. Zahra Zakeria, Queens College
Introduction to Virology and the Coronavirus Structure

Dr. Maria Entezari, LaGuardia Community College
Innate and Acquired Immune Response

Dr. Richa Gupta, LaGuardia Community College
Principles Behind Vaccine Production for Infectious Diseases

Dr. Lucia Fuentes, LaGuardia Community College
The Role of the "Anti-Vax" Movement

Dr. Hugo Fernandez, LaGuardia Community College
Ethical Considerations and Vaccine Trials

Q&A to follow the panel

Attendance is free, all are welcome.
