

THANK YOU FOR YOUR INTEREST IN THE CUNY RESEARCH SCHOLARS PROGRAM (CRSP) AT KINGSBOROUGH COMMUNITY COLLEGE

WHAT IS CRSP?

Students participating in the CUNY Research Scholars Program (CRSP) at Kingsborough Community College will work over the course of one academic year on a unique Science, Technology, Engineering, or Math research project under the guidance of a faculty mentor. Students will receive stipends totaling up to \$4,000 and course credits on their transcripts through enrollment in research courses. The program culminates in a CUNY wide presentation at the CRSP Symposium in August.

PROGRAM REQUIREMENTS AND STIPEND AMOUNTS

CRSP is intended to be a full one-year program and **students are expected to participate for the full academic year**. Exceptions may be made on a case by case basis for students graduating mid-year or in other situations that prevent full participation. Preference will be given to full year students. Students cleared to participate for a partial year must return for the summer/presentation component of the program.

In order to be enrolled in CRSP at Kingsborough:

- You must be a full-time Kingsborough student. For financial aid reasons, students must be full-time **BEFORE** counting the research course credits. Student credit load may not exceed 18 credits per semester. Students must not drop any courses without speaking to an advisor first or they may wind up owing money to the government or the college.
- An instructional staff member must agree to be your mentor.
- Completion of program application & required forms.
- Complete online Research Ethics course.
- Attend all CRSP monthly group meetings, workshops and presentations.
- You must attend online orientation on **Friday September 25, 2020**.

For the 2020 – 2021 program, please complete the form below and email it to Frances.Samuel@kbcc.cuny.edu by September 18, 2020. Please make sure all information is up-to-date and accurate. All students who submit their form, will receive the directions to complete the Online Research Ethics Course. Once you provide the Certificate of Completion for the Research Ethics course, you will receive the formal application for the program.

Student Name (First Name Last Name):	Student EMPL ID:	Phone #:
Birthdate Year:	Preferred Email Address:	
Currently Registered Credits:	Major:	
Preferred Area/Subject of Research:	Potential Research Mentor:	
Please circle or highlight your answer for each of the following.		
Are you currently enrolled in any Honors courses? YES NO	Are you a member of the Honors Club or Phi Theta Kappa? YES NO	For the 2020-2021 academic year, are you able to participate for the full year (Sept '20 – Aug '21) or half year (Sept '20 – Feb '21): Full Year Half Year

Are you an ASAP student? YES NO	Have you ever participated in the CRSP at KCC? YES NO	Were you recommended for the program? If yes, by who? YES NO
