Loan Amount Requested

For each academic year, you may borrow up to (but not more than) KBCC's cost of attendance, minus the amount of other financial assistance the student receives. KBCC determines the cost of attendance based on federal guidelines. It is important not to borrow more than you can afford to repay, even if you are eligible to borrow more.

Requested Loan Amount: \$ _____

(Loan Period: Loan requests are processed for the Fall 2021/Spring 2022 semesters. Loan disbursements will be made in two equal payments/installments for the loan period certified.)

Credit Balance Option

Your Direct PLUS Loan will first be applied to the student's school account to pay for tuition and fees, room and board (if applicable), and if you provide authorization, other educationally related charges. Any loan amount that remains after these charges have been paid is called a credit balance. You may choose to have the school pay the credit balance to you or to the student.

If there is a credit balance (refund) after your Direct PLUS Loan has been applied to the student's account, to whom do you want the school to pay the credit balance?

☐ Parent (Myself) ☐ The Student

Parent's Certification: Your signature below certifies that you understand that this request form is not a promissory note. The promissory note needs to be completed by the parent online by visiting: www.Studentloans.gov.

No request for a Direct Loan can be processed until the Office of Financial Aid has received the results of your child's/the student's 2021-2022 FAFSA; collected any required documentation; and determined the application information to be correct.

Federal Student Aid & City University of New York policy requires that students maintain half-time (6 Credits) in order to receive the disbursement of Direct Loan Funds.
