Employee Exit Survey Program

Dear Departing Colleague,

As someone who is leaving our campus or unit, you are in a unique position to provide feedback about issues of concern to our employees. This is true regardless of your reasons for leaving, and whether or not you are staying within the CUNY system.

CUNY has engaged an independent research company, ModernThink, LLC, to administer exit surveys to departing full-time faculty and staff. The survey was developed to better understand your reasons for leaving and solicit your feedback on issues impacting CUNY employees. The survey has a series of multiple choice questions, demographic questions, and also a section where you may leave written comments.

To maintain confidentiality, ModernThink will be contacting you directly with a survey link and password. The email will be sent from surveys@modernthink.net, if you need to adjust your "spam filter". You will receive an email at both your campus email address (if you have not officially departed) and an alternate email where you can be reached after leaving. ModernThink will also provide you with detailed instructions and contact information for their Help Desk. If you do not receive an invitation, please contact your campus Human Resources Department. As an alternative, you may contact CUNY's Office of Recruitment at Diversity at ord@cuny.edu.

You will be asked for an external contact email address as part of the exit process. You may decline to provide it, and once ModernThink contacts you, they provide the option for you to opt out at that time. ModernThink will not use your contact information for any other purpose and purges its email addresses periodically. Your responses will not be linked back to your contact information.

Please note that if there are specific issues or incidents you wish to discuss directly, you may still contact one of the following to communicate directly: your campus Human Resources Department, Chief Diversity Officer, ADA Coordinator, Title IX Coordinator, or other responsible party.

Thank you for your participation. We wish you much success in your future endeavors.
