

How to use Turnitin to create and grade an assignment on Blackboard.

Creating the assignment for student submission:

The screenshot shows the Blackboard interface for creating an assignment. The top navigation bar includes Home, Help, Content Collection, KCC Library, System Admin, Blackboard Resources, and My Portfolios. The main content area is titled "Assignments" and features a sub-menu with "Build Content", "Assessments", "Tools", "Partner Content", and "Discover Content". A left-hand navigation pane lists various course management options under "kbcc IT Testing", including Announcements, Course Assignments, Course Documents, Assignments, Test, See My Grades, Course Information, Quizzes, Helpful PowerPoint Slides, Web Links, and Tools. A red box highlights the "Assignments" link in the left pane with the instruction: "1. Click on a content area where you would like the assignment to be placed." Another red box highlights the "Assessments" dropdown menu with the instruction: "2. Click on Assessments and select Turnitin Assignment". The main content area displays the text "It's time to add content..." and "Use functions above to add it." with a curved arrow pointing towards the "Assessments" menu.

The screenshot shows the "Add Turnitin Assignment" page. The page header includes the Turnitin logo and the text "Add Turnitin Assignment". Below the header, there is a navigation bar with "Messages", "English", and "Ro". The main content area is titled "About this page" and contains the text: "This is the first step in creating an assignment. Use the radio buttons to select an assignment type. Please note a paper assignment must exist for other assignment type can be created." Below this text is a section titled "Select your assignment type" which contains three radio button options: "Paper Assignment", "PeerMark Assignment", and "Revision Assignment". The "Paper Assignment" option is selected. To the right of these options is a detailed description of the "Paper Assignment" type, stating it is the base assignment for all other types and that three dates (start, due, and post) must be set. A red box highlights the "Paper Assignment" radio button with the instruction: "3. Change assignment type (default is Paper Assignment) then click on next step". A red arrow points from this box to a "Next Step" button located at the bottom of the page.

Grading the assignment:

Grade Center : Full Grade Center

When screen reader mode is on, the Grade Center data appears in a simplified grid. You cannot freeze columns or edit inline, making it easier to navigate using the keyboard. To enter a grade, access a cell's contextual menu and click **View Grade Details**. When screen reader mode is off, you can type a grade directly in a cell on the Grade Center page. To enter a grade: click the cell, type the grade value, and press the Enter key to submit. Use the arrow keys or the tab key to navigate through the Grade Center. [More Help](#)

A display of the original report showing - Turnitin's results. This sample document was fully copied from various parts of the Internet and was found to be a 100% match.

The screenshot displays the Turnitin interface for a report titled "My report1" by Michael McGoVERN. The top navigation bar includes "Originality", "GradeMark", and "PeerMark" tabs. The Turnitin logo and a "100%" match percentage are visible in the top right. The main content area shows a document with several paragraphs of text, all of which are highlighted in red, indicating they are plagiarized. The text includes a paragraph about a plane crash in the Mediterranean Sea, a paragraph about a missing 7-year-old boy in Hokkaido, and several paragraphs of direct quotes from a father named Takayuki Tanooka. A red box highlights a specific quote: "I told my son that I am sorry that I made him go through a very hard situation. He nodded to me." Tanooka said at a press conference after being reunited with his son.

Match Overview

Match	Source	Percentage
1	Submitted to City Unive... Student paper	100%

Here is the results of the Originality report - Turnitin found that the report was 100% plagerized - it was a copy of screen shots from various parts of a CNN report on the Iternet.
