

Junior Achievement is dedicated to giving young people the knowledge and skills they need to own their economic success, plan for their futures, and make smart academic and economic choices. JA's programs—in the core content areas of work readiness, entrepreneurship and financial literacy—

ignite the spark in young people to experience and realize the opportunities and realities of work and life in the 21st century. All activities and training will be provided.

JA University

Lead workshops with middle or high school students to help them navigate the path to higher education and training on college exploration, budgeting and decision-making, and building a personalized action plan. In a virtual or in-person format, volunteers and JA staff lead three, 45- or 60-minute sessions and students are given access curriculum resources.

Schedule: 3 days for 1-hour per day, or any combination for a 3-hour event during normal school hours (9 am – 2pm)

Teach for a Day/JA in a Day

Lead and teach full, high-impact, grade specific lessons about money, career and business ownership. All activities and training will be provided.

Schedule: 5 days for 1-hour per day or any combination for a 5-hour event during normal school hours (9 am – 2pm)

Program Benefits

- Share your higher education experiences current middle and high school students
- Answer questions about higher education in a small group setting
- Share a variety of different post-high school educational options
- Share and practice budgeting in a realistic scenario
