# BLESSED NYESUAH

Looking at my reflection, I find myself wiping the tears off that little girl who felt insecure, fearful, and meek when the tidal waves of life nearly drowned her. And amid the snuffle, gasp, and uncontrollable cries of pain, she says, “we did it, we've made it back to shore, and I see not empty-handed. Look at those that stand behind us, friends we've made along the way, teachers and professors who kept pushing when the going got tough, the title of being the first throughout my mother's lineage to get this far in the land of opportunity, a romantic love we've always dreamed of and the family bond we always craved,” and with that, I say thank you to you all.
