### Financial Aid

Wednesday October 14 at 1pm

**Register in advance for this meeting:**

<https://zoom.us/meeting/register/tJEucuGvpz8iEtH5SUXJSDdmkwF-IK1eH2Ak>

Join us in our virtual meeting where Kingsborough representatives will share information about the services their department offers.

For example:

- Did you know you should apply for financial aid even if you believe your parents make “too much money” or that it includes federal aid such as loans, grants and work study?
- Did you know the Career Development Center emails a weekly newsletter, on Mondays, that includes resume tips, current career and internship opportunities, as well as information on weekly events or programs they are hosting? You should check out the Career Buzz!
- Did you know that in addition to providing the KCC community with Free Tax help, the Access Resource Center also provides workshops on Financial Literacy, provides access to pantry bags during remote learning, access to local food pantries and assist with benefits screenings for government resources.

Join us to learn about these opportunities and more that each department or center provides.

*Part of the KCC \$en\$e campaign funded by TD Charitable Trust and aimed at positioning students for financial success, these workshops will help students understand how they can make their dollars stretch, learn about ways to finance and save on their college education, and provide them with valuable tips to be financially successful.*

*\*Sponsored with the support of TD Bank.*
